1979 SOJOURN DEDICATION

Mr. Walter Precourt

Mr. Precourt has been an advisor to the class of 1979 for the past four years. During these years, he has sacrificed many hours of his personal time to help the class with their many, many projects. He initiated a $10,000 scholarship fund and has worked hard in helping the class reach that goal. He has been not only an advisor to the class, but also a friend, always asking us to smile even when things seemed unbearable. His one desire, has always been to have our class strive for excellence. The Class of 1979 will long remember Mr. Precourt and all of the events and fund-raisers that he helped to make successful. Most of all, we would like to thank him for staying with us through the bad times as well as the good. We appreciate that more than words can express.

Mrs. Diane Martin

The Class of 1979 would also like to give much deserved appreciation to Mrs. Martin, another class advisor. She has been a "behind-the-scene" person, doing tedious but very important tasks for us. Without her help in organizing committees and activities, the class would not be as successful as it has been. She is a fine person, and she has a special personality which has made her well-liked by the class. Sometimes a class needs not only someone to advise them, but also someone to listen to them, and she has been that person. Thus, to show our appreciation to two advisors — Mrs. Walter Precourt and Mrs. Diane Martin — we dedicate our yearbook and thank you both for your time, your effort, and most of all, your friendship.

CLASS POEM

BUILDERS OF THE FUTURE

Christine Eisnor

Four years have quickly passed us by,
Since we first entered Norton High
When we wandered the halls — lost and confused —
While the upper classmen looked on rather amused.

We, somehow, survived those first few days
And proceeded to go on, in our own ways;
For as Freshmen we had much to learn
As a prosperous class — much to earn.

We worked together throughout the years
Sharing the laughter, sharing the tears
We proved to others and to ourselves as well —
That whatever we'd try, we'd also excel.

We'll never forget all the times we've had.
Not only the good, but also the bad.
Even now, we look back and still remember:

The first dance we held as Freshmen in December;

The yearly Penny Sales which were a great success
Despite beliefs that we would come out with less;
And the powder puff games which were full of fun:
Not to mention the float — a prize for which we won.

But now as the end of our high school days draw near,
Each must think of his future and his own career;
For as builders of the future, we have our own path to choose,
As builders of the future, we have memories we'll never lose.

CLASS HISTORY

Rachael Shaw

)ur freshman year was full of expectations for the future. Our first money making venture was a grab bag candy ıle, and then came the Christmas dance, followed by our greatest achievement — The Penny Sale. We ended the ear with the farewell dance and also had a sum of $1,600 in our scholarship fund.

n our sophomore year, we were confident of our abilities and planned even more activities. In Decmeber 1976, we ponsored a shopping spree, another Christmas dance, and then our Spring event — our Penny Sale. The only unsucessful activity we had in this was our Dinner dance, but that did not defeat us, for we immediately formed our Ring ommittee. Later in the year, the Prom committee was formed and the class motto and colors were chosen. At the end f 1977 we had $4,600 in our scholarship fund.

ıs juniors, we came back more determined than ever. First, we received our unique style rings at our Ring Dance, and hen, at the first homecoming, we won first place with our float *De-feet the Craftsmen.* The Powder Puff game folowed with a tie between the juniors and seniors. Next, we sponsored a dance for the J. C. Solmonese Scholarship 'und and raised $250 for it. The Penny Sale was another highlight as usual, followed by the Prom at the Condessa vith the theme "So Many Roads to Choose." By the end of the year, we had raised $7,740 for our scholarship fund.

)ur senior year was filled with many events — The Welcome Dance, the Senior Picnic, the building of our float, *tchin' for a victory — we can't bear to lose,* our magazine drive, the spaghetti supper, the powder puff game in which the enior girls defeated the junior girls, and the Valentine Dance, followed by the Penny Sale and Senior Class Play. Our inal last days together as a class will be senior week with a class trip, class night, and graduation. The four years have gone by quickly and we are proud to say we have achieved our goals.

PENNY SALE

The Penny Sale has been the main fund raising event for the Norton High School Class of 1979 Scholarship fund. Each year we have been fortunate enough to increase our attendance and the value of our prizes. Every member of the class has donated some portion of time to make the Penny Sale a success and this has helped to unify the "Builders of the Future."

Clockwise From Top: Tim and Mike counting the money as Mrs. Martin stares in amazement; Mr. Precourt can't believe he ate the whole thing; Rachael checks white elephant table; Darlena takes care of little brother Sam's tickets; Jenny doing her best to help the class reach its goal; Cathy and Mark look over the cakes.

BOY'S VARSITY BASKETBALL

For Norton Lancer's Varsity Basketball team the beginning of the season brought many doubts as to how well the team would do. The team only had one returning regular, Senior Captain Dan Rapp. To everyone's surprise, this team closed out its regular season with a 16-4 record. The key to Norton's success was coach Howard Kelley who molded the team into one which won the Mayflower League Small School Division Title, qualifying for the E. Mass Basketball Tournament for the fifth time in six years, as well as the Mayflower Championship held at Norton High. Although Norton really did not have any explosive offensive player, balanced scoring from Dan Rapp, Brian Metzger and Charlie Marchese, and the best team defense in the Mayflower League paved the way to success. Juniors Jon Anderson and Ray Labrie both performed well in the power forward slot, while Steve Bishop provided an offensive punch when needed from either the guard or forward position. Seniors David Gonsalves, Alan Helmreich, along with promising sophomores Mark Hoyle and Steve Ellard performed well when called upon, rounded out the season long squad. Joining the team at mid-season Seniors Roy Mckillop, Ralph Steffanelli and Freshman Sam Smith provided invaluable help both in games and in practice. All in all it turned out to be a banner year for the very successful Lancer Basketball team.

The team was led by senior co-captains Cathy Kinney and Jill Broyles. Also outstanding for the team were juniors Betsy Etter, averaging 15 points a game, and Theresa Ruta and Maria McIntosh. A highlight of the season was an overtime victory against league leading Apponequet. Jill Broyles, Betsy Etter, and Theresa Ruta were named to the Mayflower League All-Star Team and Catherine Kunz was selected as coach of the year in the league.

Activities

the homecoming dance and the senior prom-
teary-eyed (but smiling) newly crowned queens-
late night gym-decorating parties-learning the
real secret of crepe paper-draping-noisy pep
rallies and noisier bus rides to out-of-town
games-the semi-play-take-sides, carnivals
and clean-up campaigns-[illegible] out to
the sound of the [illegible] newest
group-!

1978 3RD ANNUAL HOMECOMING

Though the annual Homecoming was a little wet this year, everyone still managed to have a fun time; especially the Sophomores, whose float won the competition. I am sincerely grateful for having been given the opportunity to be the editor of the 1979 Sojourn. I would like to thank the members of the staff for all of their help, especially Joanne, Michele, and Jill. Furthermore, I must thank Arnie Lohmann for all of his ideas and advice, and special gratitude is in order for Miss Kiernan who, through her guidance, has aided in the producing of a most successful book which I hope you will find enjoyable and meaningful in years to come.

Karin Annerwall of Sweden, Gabriela Barba of Uruguay, Rogerio Buldo of Brazil, Ricardo Hartwig of Chile, and Marcela Veiszbrun of Argentina have all left their mark on the families that provided them with a home away from home. The exchange and sharing of ideas, hopes, and dreams of the future demonstrates clearly that people really do care about each other.
